#### RELATIVE TO EMPLOYING COURT STENOGRAPHERS.

Mr. McGill offered the following resolution:

Whereas, The House by simple resolution authorized the Speaker to advertise for bids for court reporters to take down the proceedings in the matter of the charges against S. H. Terrell, Comptroller, and in response to such advertisements H. D. Mahaffey has submitted a bid proposing to furnish six copies of the testimony, one original and five car-

bons, on 8½x11 pages, at \$1.25 per page, the transcript of such testimony to be furnished within twenty-four hours after the close of such testimony at each setting of the Committee. Three reporters would be required at a per diem of \$7.50 per day to take down such testimony and furnish it within the above specified time, it being understood that for any day or days in which no testimony is taken such per diem fee for said reporter shall not be allowed; and

Whereas, It is believed that said bid is the lowest and most satisfactory of those submitted; now, therefore, be it

Resolved by the House of Representatives, That said bid of said H. D. Mahaffey be and the same is hereby accepted, and the Speaker be and is hereby authorized to enter into a contract of employment with the said H. D. Mahaffey, in accordance with the terms of said bid.

The resolution was read second time and was adopted.

Austin, Texas, February 11, 1930.

Hon. W. S. Barron, Speaker, House of Representatives, Austin, Texas.

Dear Sir: Below please find bid covering handling of impeachment proceedings against Comptroller S. H. Terrell;

6 copies (original and five carbon copies), 8½x11 page, at per page .....\$1.25

This bid is based on furnishing transcript of testimony within twenty-four hours after the close of such testimony taken at each sitting of the Committee. Three reporters would be required for each of whom I would expect a per diem of \$7.50 and if unable with this force to handle the work as expeditiously and with the dispatch required, the same per diem would be expected for such additional force of reporters as might be necessary, such additional force, however, to be approved by the House Committee before any expense is incurred.

It is understood that you are to be served by efficient, competent and qualified reporters of years of experience and whose work will be of such character as to reflect accurately the proceedings. Only the very highest type of court reporters are to be used in this work and satisfactory and legible copies of the proceedings furnished.

Your favorable consideration of this bid will be appreciated, and immediate service can be given you.

Yours very truly,

H. D. MAHAFFEY.

RELATIVE TO THE REDUCTION OF  
COTTON ACREAGE.

Mr. Lee offered the following resolution:

Whereas, The Federal Farm Board is a most valuable assistant to the farmers of this State in the solution of their production and marketing problems; and

Whereas, The Federal Farm Board is urging reduction of cotton acreage and improvement of the staple of cotton produced by cotton farmers of the South; therefore be it

Resolved by the House of Representatives of the State of Texas, That the Prison Board and managers of the prison system of the State be authorized and requested to negotiate and execute co-operative marketing contracts for the cotton produced by the prison farms of the State, to the end that the State itself may co-operate in the general purposes of the Federal Farm Board and share in the benefits that may accrue from such co-operation; and further, to the end that the State itself may set

an example to the farmers of the State by a reduction of prison farm cotton acreage to the extent of one-third of the total cotton acreage planted in the year 1929, and thus may encourage acreage reduction and staple improvement, as well as co-operative marketing, by the farmers of the State, as recommended by the Federal Farm Board through its cotton member, Mr. Carl Williams.

Signed—Lee, Finlay, Coltrin, Ackerman, King, Jenkins.

The resolution was read second time.

On motion of Mr. Rountree, the resolution was referred to the Committee on Agriculture.

**TO AUTHORIZE COMMITTEE ON  
STATE AFFAIRS TO INVESTI-  
GATE STATE TREASURY  
DEPARTMENT.**

Mr. Davis offered the following resolution:

Whereas, There was offered in the House on February 7, 1930, by Hon. Alfred Petsch and others House concurrent resolution No. 18, which resolution provided that a committee of seven members of the Legislature be appointed to conduct an investigation into the affairs of the office of Comptroller of Public Accounts of the State of Texas and of the Treasury of the State of Texas; and

Whereas, Said resolution stated that the report of the State Auditor discloses certain irregularities in the operation of certain departments of our State government, which said resolution has been laid on the table subject to call; and

Whereas, Said resolution has been made a part of the official records of this session of the Legislature and the statements therein contained given wide publicity, tending to reflect on the official conduct of the State Treasurer; and

Whereas, Since said resolution was offered definite charges have been filed in the House of Representatives against the State Comptroller, making it unnecessary and unwise that said House concurrent resolution No. 18 be now considered as a whole; and

Whereas, The effect of the offering of House concurrent resolution No. 18 and the publicity given in connection therewith make it necessary and advisable that an investigation be held with respect to the official conduct of the State Treasurer, as a matter of justice, both to the Treasurer, Hon. W. Gregory

Hatcher, and to the State of Texas; now therefore be it

Resolved, That the Committee on State Affairs of the House of Representatives be and is hereby authorized and instructed to conduct an investigation into the affairs of the office of the State Treasurer and the official acts of the said State Treasurer and that the State Treasurer, the State Auditor and any and all persons who in the judgment of the committee have knowledge of facts with respect thereto be summoned to appear before said committee and give such information as they may have; and be it further

Resolved, That at the conclusion of said investigation the Committee on State Affairs shall make report to the House, with such recommendations as the committee deems proper.

Signed—Davis, Keller, McCombs, Purl, Holder, Morse, Savage.

The resolution was read second time and was adopted.

**RELATIVE TO TARIFF ON JUTE.**

Mr. Snelgrove offered the following resolution:

H. C. R. No. 21, Requesting Congress, in the interest of the cotton grower, to enact a measure placing a high tariff on jute which is used for cotton bagging.

Whereas, Jute is universally used in this country as bagging for baled cotton; and

Whereas, All the jute so used is imported into this country from abroad; and

Whereas, It would be to the interest, and would financially benefit, the cotton grower if cotton bagging were used for such bagging; and

Whereas, A high tariff on jute would encourage and practically assure the use of cotton bagging instead of jute bagging; now, therefore be it

Resolved by the House of Representatives, the Senate concurring, That the Congress of the United States is hereby requested and urged to enact a law requiring a high tariff on jute imported into this country sufficient to benefit the cotton grower by encouraging and assuring the use of cotton bagging for baled cotton, said tariff to be sufficient in amount to make it economically unprofitable to use jute for wrapping cotton in this country.

That the Clerk of this House shall forward a copy of this resolution to the Speaker of the House and the President of the Senate at Washington, and shall

also mail a copy to each of our two Senators at Washington and each member of Congress from Texas.

The resolution was read second time and was adopted.

**EXPRESSING GRATITUDE FOR  
SERVICES OF HON. WILL E.  
JACKSON.**

Mr. Allred offered the following resolution:

H. C. R. No. 20, Expressing gratitude for Major General Will E. Jackson.

Whereas, In recognition of his thirty-two years' faithful and gallant services as a member of the Texas Volunteer Militia and the Texas National Guard, including active service as a private in the Spanish-American War, active service as a battalion commander on the Mexican border in 1916-17, and service as commander and leader of a fearless National Guard regiment in the Meuse-Argonne offensive of the World War for which gallant service he was awarded the Croix de Guerre, with Palm, by the Republic of France, and

Whereas, In recognition of his tireless and devoted service as a citizen soldier in time of peace and as one of the original sponsors and now tireless workers in the American Legion; and

Whereas, Brigadier General Will E. Jackson, of the Seventy-first Infantry Brigade, was promoted to the grade of Brevet Major General and at his request he was retired from active service of the Texas National Guard on January 1, 1930; therefore, be it

Resolved, That the House of Representatives and the Senate concurring, express the gratitude of the State of Texas, for the excellent and patriotic service rendered by Brevet Major General Will E. Jackson and that the Chief Clerk of the House of Representatives send to Brevet Major General Will E. Jackson a copy of this resolution.

The resolution was read second time and was adopted.

**RELATIVE TO THE REDUCTION OF  
ACREAGE IN FARM PRODUCTS.**

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 10, Relative to the reduction of acreage in farm products.

Whereas, Texas is the leading cotton producing State of the Union, and also the leading wool and mohair producing State, and a large, wheat producing State, and has a large and rapidly growing dairy products industry; and

Whereas, The Agricultural Marketing Act passed by the present Congress of the United States provides that the Federal Farm Board shall invite the cooperative marketing associations handling any agricultural commodity to establish an advisory commodity committee for such commodity; and

Whereas, We are advised through the press that such advisory commodity committees have now been established for cotton and for wheat and for wool and mohair and for dairying products; and

Whereas, The Agricultural Marketing Act provides for the recognition by the Federal Farm Board, upon the application of the appropriate advisory commodity committee, of any corporation complying with the conditions prescribed in the act, as a stabilizing corporation for any agricultural commodity; and

Whereas, Said act provides that any stabilization corporation for an agricultural commodity, in addition to acting as a marketing agency for its stockholders or members, may, for the purpose of controlling any surplus in a commodity in furtherance of the declared policy of the act, prepare, purchase, handle, store, process, and merchandise, otherwise than for the account of its stockholders or members any quantity of the commodity or its food products, whether or not such commodity or products are acquired from its stockholders or members; and

Whereas, The Federal Farm Board is authorized to make loans to stabilization corporations, from its revolving fund of five hundred million dollars provided for in said act, sufficient in amount to enable it to perform its functions; and

Whereas, It is our belief that, through these provisions, the Federal Farm Board can provide ample and efficient means, and supply ample funds to support the market for agricultural commodities against the concentrated depressing forces, voluntary and involuntary, which are inherent in existing marketing conditions and which, unopposed by the organized resistance on behalf of the producer, which the government alone can adequately furnish, must result in the future as in the past in reducing and holding the price of such commodities below the cost of production, and below any price which supply and demand would normally produce or justify; and which must deprive the farmer of a fair wage for his labor, and must preclude him from any opportunity to fairly share the benefits of government with those enjoyed in other industries; and

Whereas, We believe that a square deal for the American farmer and the

avowed high purpose of the Agricultural and Marketing Act, to place the industry of agriculture on a basis of economic equality with other industries, can be reasonably assured in no other way than through the constant, active and vigilant functioning of the stabilization corporations wisely provided for in the act, and in the manner provided in the act, and their indispensable continued support of the market for its defense against the continued powerful voluntary and involuntary influences operating to depress it; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring therein,

(1) That we assure the Federal Farm Board, and all its advisory commodity committees and marketing associations and other agencies, of our hearty sympathy with and appreciation of the steps being taken to secure a wise and reasonable reduction of acreage, and to improve the quality of agricultural products and to promote the widest possible cooperation in the marketing of farm produce; and we pledge them our hearty cooperation and support in the performance of the colossal task they have in hand.

(2) That we respectfully and earnestly urge the view that it is indispensable to the substantial improvement of conditions in agriculture, certainly in Texas agriculture, that the stabilizing functions of our new agricultural marketing system be put in full and efficient operation, and that the stabilization corporations necessary for the purpose be created, equipped and financed with the least delay possible: We are opposed to the promotion of any unnatural inflation in the prices of farm products through the operation of the Agricultural Marketing Act; we believe that such inflation can not fail to be harmful to the nation's welfare and most harmful to the farmer himself; but we believe that it is the highest duty of the Federal Farm Board and the best practical service it can render the American farmer, to prevent the unnatural deflation of the prices of farm products; be it further

Resolved, That the Secretary of the Senate and the Chief Clerk of the House are instructed jointly to communicate this resolution by wire to the Chairman of the Federal Farm Board.

The resolution was read second time.

On motion of Mr. Albritton, the resolution was referred to the Committee on Agriculture.

this bill shall not be applied to or affect  
any student who commenced his studies  
leading to a degree in any of the State  
institutions with the required credits  
prior to the time this bill was enacted  
into a law, or to any student who on or  
before September 1, 1929, had credits  
for at least half the work required for  
a bachelor's degree,' and declaring an  
emergency."

The bill was read second time.

Mr. Young offered the following  
amendments to the bill:

(1)

Amend Senate bill No. 17 by striking  
out all below the enacting clause and  
insert in lieu thereof the following:

Section 1. That Section 2 of Chap-  
ter 83 of Senate bill No. 179 of the  
General Laws passed by the Forty-first  
Legislature of Texas at its Second  
Called Session be amended so as to  
read hereafter as follows:

"Section 2. There shall be given in  
all colleges and universities supported  
by public funds a course in American  
government with special emphasis upon  
the Constitutions of the United States  
and of Texas, which course shall be  
given for at least three fifty-minute  
periods per week for not less than  
twelve consecutive weeks, or its equiv-  
alent if given in summer sessions. No  
student shall be graduated from any  
such college or university who has not  
passed a satisfactory examination in  
such college or university course in the  
college or university from which he is

graduating or in some other college or university which he may have attended previously."

Sec. 2. That Section 5 of Chapter 83 of Senate bill 179 of the General Laws passed by the Forty-first Legislature of Texas at its Second Called Session be amended so as to hereafter read as follows:

"Section 5. The teaching courses of instruction in the Constitutions provided for in this act shall begin with the terms of school beginning on or after September 1, 1930, and the provisions of this act with reference to graduation from any school, college, or university, or with reference to certification to teach school, shall not apply to any student graduated before September 1, 1930, or receiving a certificate to teach school before that date. Provided, however, that the terms of this bill shall not be applied to, or affect, any student who commenced his studies leading to a degree, in any of the State institutions with the required credits prior to the time this bill was enacted into a law, or to any student who, on or before September 1, 1929, had credits for at least half the work required for a bachelor's degree."

Sec. 3. The fact that many students who entered these various State-supported schools prior to September 1, 1929, and prior to the time this bill became a law, will be affected by same and will probably be denied the privilege of graduation, if the bill is not amended so as to exempt them from its terms, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and said rule is hereby suspended and that this act shall take effect and be in force from and after its passage, and it is so enacted.

(2)

Amend Senate bill No. 17 by striking out all above the enacting clause and insert in lieu thereof the following:

A bill to be entitled "An Act to amend Chapter 83, Senate bill No. 179, of the General Laws passed by the Forty-first Legislature of the State of Texas at its Second Called Session, by amending Section 2 of said act and also by amending Section 5 by adding at the end of such section the following: 'Provided, however, that the terms of this bill shall not be applied to, or affect, any student who commenced his studies leading to a degree in any of the State institutions, with

the required credits prior to the time this bill was enacted into a law, or to any student who, on or before September 1, 1929, had credits for at least half of the work required for a bachelor's degree,' and declaring an emergency."

The amendments were severally adopted.

Senate bill No. 17 was then passed to third reading.

Amend House bill No. 89 by striking out all below the enacting clause and substituting the following:

Section 1. That Section 1, Chapter 27, of the Acts of the Forty-first Legislature, Second Called Session, be amended so as to hereafter read as follows:

Section 1. Chapter 90, of the General and Special Laws passed by the Regular Session of the Forty-first Legislature, and Title 7, Article 190a, of the Revised Civil Statutes of the State of Texas of 1925, be, and the same are hereby, amended so as to hereafter read as follows:

"It shall hereafter be lawful for the commissioners court of McCulloch, San Saba, Lampasas, Mills, Erath, Lime-

stone, Jasper, Hood, Bastrop, Brazos, Grimes and Sterling counties to pay, out of the general fund of said counties, bounties for the destruction of wolves, wildcats and other predatory animals within said counties as hereinafter provided.

"On the petition of 200 resident freeholders of any one of said counties, being presented to the commissioners court of such county, the commissioners court may, by resolution entered upon its minutes, provide for the destruction of such animals and the amount of bounty to be paid for the destruction of each of said predatory animals and the method of providing such destruction, so as to entitle the person destroying such predatory animals to receive said bounty; provided, that in the county of Sterling the commissioners court is authorized to act upon a petition of as many as 50 resident freeholders of said county.

"The amounts paid as bounties for the destruction of predatory animals in said counties shall be paid by warrant drawn upon the general fund of the county by the judge of such county on the filing with him of such proof as the commissioners court may require."

Sec. 2. The fact that there is now no law in certain counties herein enumerated to pay a bounty on predatory animals creates an emergency and an imperative public necessity demanding that the constitutional rule that all bills be read on three several days in each house be suspended, and that said rule is hereby suspended, and that this act shall take effect and be in force from and after date of its passage, and it is so enacted.

HOUSE BILL NO. 9 ON SECOND  
READING.

The Speaker laid before the House, as a special order for this hour, on its passage to engrossment,

H. B. No. 9. A bill to be entitled "An Act to amend Articles 2994, 3883, 3886, 3889, 3891, 3892, 3895, 3897, 3899, 3926, 3934, 7331 and 7332, of the Revised Civil Statutes of Texas for 1925, repealing Articles 3887, 3900, 3912 and 3932 of the Revised Civil Statutes of Texas for 1925, and all laws in conflict, all of said amended and repealed articles relative to fees and compensation of county officers; providing any unconstitutional parts of this act shall not affect the remainder; declaring an emergency, and providing said act shall become effective on January 1, 1931."

The bill having heretofore been read second time, with amendment by Mr. Hubbard and amendment by Mr. Pope of Nueces to the amendment, pending.

Mr. Pope of Nueces, by unanimous consent, withdrew the pending amendment.

Mrs. Moore offered the following amendment to the amendment by Mr. Hubbard:

Amend committee substitute to House bill No. 9 by striking out the words and figures "two thousand (\$2,000)" in line 37, page 12, and insert in lieu thereof the following, "two thousand two hundred and fifty (\$2,250)."

Signed—Moore, Pope of Nueces.

The amendment was adopted.

Mr. Petsch offered the following amendment to the amendment:

Amend substitute by inserting after Section 4b the following, which shall read as follows:

"Sec. 4c. Immediately after any officer in this State has collected the maximum fees allowed by law, such officer shall notify the Comptroller of such fact; and after such collection such officer shall receive no further fees from the State for any services rendered."

The amendment was adopted.

Signed—Petsch, Pope of Nueces.

Mr. Metcalfe offered the following amendment to the amendment:

Amend committee substitute to House bill No. 9, page 12, line 25, by adding after the word "deputies" the following, "and the amount necessary to cover costs of premium on whatever surety bond may be required of any county or precinct officer by law."

The amendment was adopted.

Mr. McCombs offered the following amendment to the amendment:

Amend committee substitute to House bill No. 9 by adding at appropriate place a new section, to read:

"No officer or his deputy, authorized by law to administer oaths, shall act as a notary public during his term of office, and all fees collected by him for administering oath and taking acknowledgments shall be a fee of office and accounted for as such."

The amendment was adopted.

Mr. Keller offered the following substitute for the pending (committee) amendment by Mr. Hubbard:

Amend House bill No. 9 by striking out all after the enacting clause and insert in place thereof the following:

Section 1. Article 3896 of the Revised Civil Statutes of 1925 is hereby amended so as to read as follows:

Article 3896. Every officer mentioned in the first six articles of this chapter, in every county of this State, including counties of less than 25,000 population according to the last Federal census, as well as all other counties, shall keep in a well-bound book an account of all fees and compensation collected, as well as those earned and uncollected, by him; said book and account shall be at all times subject to the inspection and audit of the county auditor and shall be public records.

Sec. 2. Article 3897 of the Revised Civil Statutes of 1925 is hereby amended so as to read as follows:

Article 3897. Every officer mentioned in said first six articles shall, on or before the 15th day of February of each year, make and file with the commissioners court of the county a detailed report showing all fees and compensation collected, as well as those earned and uncollected by him, during the calendar year ending December 31 next preceding such report; said report shall be sworn to as correct by the officer making same before some officer authorized to administer oaths. Every such officer failing or refusing to make such report in the manner and within the time herein prescribed or failing or refusing to file copies thereof as herein prescribed

shall be subject to a penalty of \$25 for each day of failure or delay in making such report, which penalty shall be collected at the suit of the county or district attorney in the name of the State, and any amount recovered in such a suit shall be paid over to the county. A copy of said report shall be filed within said time with the county auditor of the county, one with the county clerk of the county, and one with the State Comptroller of Public Accounts.

Sec. 3. Of the fees and compensation of any officer mentioned in Chapter 1 of Title 61 of the Revised Civil Statutes of 1925, as amended, not required to be accounted for under the present fee bill, each such officer, after January 1, 1931, shall retain such amount only as would bring his total compensation, including fees and compensation accountable, as well as those not accountable under the present fee bill, to the sum of \$12,500 in any one year, and any excess over and above said sum shall be paid over to the county. This act is cumulative of present laws relative to fees and compensation of such officers, and it is not the purpose of this act to exempt such officers from the provisions of the present fee bill, but on the other hand, the purpose is to further limit such officers so that they cannot retain fees not now accountable under the fee bill so as to increase their total compensation above the amount of \$12,500 annually.

Sec. 4. Article 3900 of the Revised Civil Statutes of 1925 is hereby amended so as to read as follows:

Article 3900. All officers mentioned in this chapter, regardless of the population of the county, shall make the report and keep the accounts required by Articles 3896 and 3897, as amended herein, but in those counties having a population of 25,000 or less inhabitants, such officers may retain all fees and compensation earned; provided, however, that in no event shall any such officer have the right to retain fees in an amount exceeding \$12,500 annually, and any excess of that sum shall be paid over to the county. In counties having a population of 25,000 or less inhabitants, no ex-officio salary shall be allowed any such officers in excess of the amount fixed by other statutes, and in no event shall such ex-officio be allowed such officers in said counties in excess of \$2,250 per year.

Sec. 5. Article 3892 of the Revised Civil Statutes of 1925 is hereby amended so as to read as follows:

Article 3892. Any officer mentioned in this chapter who does not collect the

maximum amount of his fees for any fiscal year and who reports delinquent fees for that year, shall be entitled to retain, when collected, such part of such delinquent fees as is sufficient to complete the maximum compensation for the year in which delinquent fees were charged, and the remainder of the delinquent fees for that fiscal year shall be paid as herein provided for when collected; provided, the provisions of this article shall not apply to any officer after one year from the date he ceases to hold the office to which any delinquent fee is due, and in the event the officer earning the fees that are delinquent has not collected the same within twelve months after he ceases to hold the office, the amount of fees collected shall be paid into the county treasury.

Sec. 6. The words "fees and compensation" as used in this act shall include all fees and compensation whatever collected by said officers in their official capacity, and shall also include all compensation for certified or uncertified copies of any record or paper and all fees or compensation for any certificates issued, any law, general or special, to the contrary notwithstanding; and particularly shall include all fees now allowed by law to officers pertaining to delinquent taxes and tax certificates, but this enumeration shall not be construed as to exclude any other fees or compensation from the operation of this act.

Sec. 7. In counties of over 150,000 population the district or county attorney of any county or district, with the approval of the commissioners court of such county, shall have the right to appoint not more than two assistant county or district attorneys, at a salary of not more than \$350 per month, and not more than seven clerks at a salary of not more than \$150 per month, for the purpose of collecting delinquent taxes and such other duties that might be assigned by the district or county attorneys; such work to be carried on under the supervision of the county or district attorneys.

Sec. 8. The fact that in many instances officers are not required to keep accounts and make reports of fees of office and no reasonable maximum is fixed in the law for certain officers in connection with certain fees of office, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be, and the same is hereby, suspended and that this

act shall take effect and be in force from and after the first day of January, A. D. 1931, and it is so enacted.

Signed—Keller, Rountree.
